PARO ROBOTS: ROBOT THERAPY WITH A HUMAN TOUCH

10:30 am Mechanical Love the Film

Filmmaker Phie Ambo's quirky documentary explores the fascinating world of therapeutic robotics – stunningly lifelike human androids – and the people who love them.

12:00 pm PARO Robot: Presentation & Interaction

Designed to look like a real baby harp seal, the PARO provides psychological and social effects through physical interaction with human beings. It responds to light, sound,

temperature, touch and posture, and over time develops its own character. Lucia Enriconi 305-646-4210 or enriconi@miamisci.org

Saturday, May 16th from 10:30am - 1pm

DISNEY'S SLEEPING BEAUTY

Performed by Company Students of The Theatre Institute of South Florida

It's princess Aurora's sixteenth birthday, and Flora, Fauna and Merry weather must use their fairy magic to save her from the spell of evil sorceress Maleficent! This classic fairytale told Disney-style has many songs from the beloved film, including "Once Upon a Dream," accompany fun new songs like "Maleficent!" and "A Little Magic Now" to bring a fresh telling of the story to a new generation of kids and families. For more information contact 305-332-5817.

Friday and Saturday, May 29th & 30th at 7:30pm
